GP Phenyl 100 by Geneza Pharmaceuticals is an injectable steroid containing 100mg per ML of the hormone Nandrolone Phenylpropionate. Unlike its relative, Nandrolone Decanoate, the ester of this nandrolone makes it very fast acting and therefore makes it possible for the compound to be out of the body much more quickly.

GP Test Prop 100 by Geneza Pharmaceuticals is injectable steroid which contains the hormone Testosterone Propionate in preparations of 100mgs per ML. The Propionate ester is much faster acting (2-3 days) than Enathate or Cypionate, and thus requires a more frequent injection schedule such as every day or every other day in order to keep blood. investigate this site
