High Quality 1-Test Cyp 100 for Sale Online (Dihydroboldenone Cypionate) by Dragon Pharma at discount prices - MassRoids.Net. - Testosterone Decanoate 100 mg Dosage: 250 mg / 1 mL Presentation: One 10 mL Vial Form: Solution for Injection. Buy Injectable 1-Test Cyp 100 for Sale (Dihydroboldenone Cypionate) by Dragon Pharma, Europe.

1-Test Cyp 100 is not capable of converting 5a reductase, is already a "dihydro" form of Boldenone, so you can not be afraid of oily skin, acne and hair loss. Dihydroboldenone Cypionate dosage would be enough 100-200mg per week, because 200 mg injections replaces 600 mg of testosterone esters. [this post]
