Manufacturer: Geneza Pharmaceuticals; Brand Name: Anadrol, Oxy; \$56.00 Add to cart GP Phenyl 100 mg. Manufacturer: ... Description Reviews Questions GP M1T is an oral steroid containing 10 mg of Methyl-1-Testosterone per tablet. Methyl-1-Testosterone, or 17 α -1-testosterone, is the methylated version of the steroid 1-testosterone. This structural modification makes steroids much more orally bioavailable by inhibiting breakdown in the liver. [article](#)
