Italian Genotropin 12mg Cartridge - fake or real. they look 100% my first test GH serum was really high, last test after 4 weeks GH serum was nil and my IGF after one month was same as when I started, they do appear to be from a pharmacy in Italy and have a high quality packing, look very similar to these in this page but with an Italian. Cartuchos Genotropin Pfizer Italia. La consistencia de la hormona en polvo: el Genotropin Pfizer Italia falso contiene azúcar sin ningún rastro de hormona de crecimiento humano. Debido a esto, el polvo dentro del cartucho es plano y sin textura o formaciones. El verdadero cartucho de Genotropin contiene trozos de polvo que no están bien.
