

The Beginner's Guide to Writing an Essay: 2021

People praise online learning a lot but it has made student life a living hell. There are too many assignments and quizzes taking place. Due to chances of cheating, professors have made their grading criteria quite strict "[write my papers](#)". You need to write a perfect essay to get a good grade because even the small and ignorable mistakes are often pinpointed. To get a better idea about writing, continue reading the guideline.

Details of a college essay

An essay is a piece of academic writing that tends to explain the topic and your stance on it. Some students score poorly on assignments because they are unaware of how to write an essay with no mistakes "[write my essays](#)". All essays have a catchy introduction (with hooks) that ends with a thesis statement describing your stance and summarizing the upcoming paragraphs.

Common errors in college essays and their solution

1. Comma splice: when there are 2 separate clauses, add a period or semicolon wherever appropriate.
2. Parallelism: You have to make the grammar between sentences parallel.
3. Format: You should follow the format and not ignore the guidelines.

If you believe you make these mistakes too, you must be wondering "[essay writing service](#)". The answer is yes; hundreds of websites can write an essay for you while avoiding such mistakes.

Tips to Fix faulty parallelism

1. Be careful from the start

- Avoid faulty parallelism in your essay writing from the beginning
- Keep the basic rules in mind while writing the essay
- If this is time-consuming, highlight the places where you believe you made parallelism mistakes and correct them at the end.
- . If you feel like this is time-consuming "[essay writer](#)", highlight the places where you think you've made mistakes and move on. After you're done with the essay, correct your mistakes.

2. Change the structure of one word

- Observe the sentence carefully and highlight the inappropriate word
- Change the structure of the word that is odd
- Example: My dog loves to eat his favorite treat and sleeping
- Correct: My dog loves to eat his favorite treat and sleep

3. Replace the word with a better one

- Sometimes a word seems forced into a sentence
- You need to identify the inappropriate word and replace it with a better one.
- Example: what I did and my words are similar.
- Correct: my actions and my words are similar.

4. Hire essay writing services

- Checking for parallelism can be frustrating.
- Tell a professional essay writer "[online dissertation writing](#)".
- You can send them your final draft and tell them to correct the error
- In the meantime, relax and let others take care of your work

Conclusion

If your essay is full of grammatical errors, you will probably get a bad grade "[Custom thesis writing](#)". Some students incorrectly believe that the creativity in the content will make the professor ignore such mistakes. You need to proofread your work for faulty parallelism and run-on sentences to get the best possible grade.

You may hire a writing service to do this job for you. According to the word limit, you'll have to write around 3 to 5 body paragraphs; each addressing a specific point with evidence and examples "[cheapest essay writing service](#)". In the end, you will conclude the paper by summarizing the data and provide a list of references.
