Omnadren® 250, genel olarak Sustanon® 250'nin küresel arzını kontrol eden uluslararası farmasötik devi Organon'la olan patent konularını önlemek için yapıldı. Klinik tıpta Omnadren® 250, genel olarak semptomları fark eden, androjen seviyesi düşük olan erişkin erkekleri tedavi etmek için kullanıldı İktidarsızlık veya ... Omnadren ile en uzun test esteri, 9 günlük yarılanma ömrüne sahip olan Hexanoate, Sustanon 250 4. ester ise 15 günlük yarılanma ömrüne sahip olan dekanooattır. Günümüzde, her iki bileşik de aynı esterlere sahipler, zira omnadren sedanonu kopyalamak için 4. esteri olarak decanate takas ediyorlardı.

Sustanon 250 Dosis Semanal Video marketing is sometimes casual. People like marketing initiatives that don't appear as well compelled or slick. They can appear to be excessive like tv tv commercials, and everybody has figured out to tune all those out. If your movie is a touch "rough," which is okay. Help it become private and genuine.
