Leaving the seed longer in the towel is the initial step to take if any of your marijuana seeds fail to germinate after seven days of being inside the paper. Ensure that the room remains dark, warm, and damp, and keep checking on the seeds. If there is no change in the result after ten days, then you can try another <https://answers.microsoft.com/en-us/profile/20dc7c96-292f-4bdf-a2c5-855681c1a7d7>
