Amnesia Haze, bred in the Netherlands in the 1990s by Hy-Pro Seeds under the name "Amnesia", goes by many other monikers. Whether you know her as the original Amnesia, Amnesia Haze, Champagne Haze, The Bomb, Ultra Haze, or by another name entirely—one thing everyone can agree on is the sheer potency of this sativa-dominant strain. #caliplug #dankvapes #weed #exoticcarts #weedporn #marijuana #stoner #cannabiscommunity #bhfyp #cannabis #cereal carts #indica #caliweed #hightimes #kingpens #carts #cali #runtz #thc #juulpods #juul #tkoextracts #thccarts #cookies #sativa #jungleboys #cbd #atlanta #cannabisculture #bhfyp Amnesia Haze seeds were initially developed from Southeast Asian sources, though they were also combined with different types of Haze. This amalgamation is what gives this strain its robust flavor and calming properties. Amnesia Haze Auto by Sensation Seeds is a cannabis seed that comes from the cross between an Amnesia and a Ruderalis. Not missing a beat he carries a range that speaks to his Nigerian-American roots as well as his DMV upbringing. The young artist carries influence from legends like Bob Marley, Fela Kuti, D'angelo and others and continues to reinvent his work style and match his cadence with a sound that ♦s a force of soul, hip hop, ♦ and afro-beats. He ♦s not stuck in a box and isn ♦t looking to check a box. His music is just art. [my response](#)
